The average taxable value of a residence homestead in City of Joshua last year was \$123,898. Based on last year's tax rate of \$0.653476 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$809.64.

The average taxable value of a residence homestead in City of Joshua this year is \$126,399. If the governing body adopts the effective tax rate for this year of \$0.602497 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$761.55

If the governing body adopts the proposed tax rate of \$0.634331 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$801.79.
