

There are children who will not get to experience this wonderful time of year without our help.

City of Joshua Staff is taking donations to help the Johnson County Children's Advocacy Center supply toys to children in Johnson County. It was requested we concentrate on gifts for children in Middle School and High School. Here are examples of gifts that were suggested:

Girls—makeup, purses, hair supplies, bath and body works

Boys - footballs, soccer balls, games for older children

Gifts for smaller children will also be greatly appreciated

These gifts will be distributed to the children on December 10, 2009 so we urge you to bring your donations by the first week of December. Donations can be brought to:

City Hall—101 S. Main

Police Department—102 S. Main

Animal Shelter—100 Santa Fe

If you have any questions please call City Hall at 817-558-7447
